Charlotte, NC May 5, 2009—Cathy Maday, founder of Wingspan Coaching Corporation, and Taye Cairnes recently delivered a three day leadership retreat for the Credit Union of Georgia in Woodstock, Georgia.

Cathy Maday and Taye Cairnes provided experiential learning opportunities to help credit union employees develop a “Power With” leadership style rooted in personal values while still being aligned with the values of one’s organization. The leaders walked away with innovative tools and concepts that support more effective and expansive communication and relationships.

About Wingspan Coaching

Wingspan specializes in delivering powerful leadership communication tools to senior leaders who want more success and satisfaction for themselves and their teams. Their services include individual and group coaching, training, and keynotes. Additional information is available at www.wingspancoaching.com.
